

# What's new in Heath Hayes?

## A BRIEF HISTORY

The funeral home on Hednesford Road has operated in the area for several years. In 2004 however, Halliwell became part of Tamworth Co-operative Society, a group with over 120 yrs. history of service to local communities. We now benefit from the extra security and resources associated with a larger group whilst maintaining all the strengths of a locally based company employing staff from within the area.

## NEW FUNERAL HOME

As well as being a major step forward for our business, the re-building of our funeral home in Heath Hayes also demonstrates our commitment to providing the very best care and service to the local community. We have made every effort to ensure that the new building is fully in keeping with the local environment and we are now able to offer our clients some of the finest facilities in the area.

## A LOCAL TEAM

Whenever possible, we try to employ staff with strong connections to the area - people who know and understand the local community. All our staff are experienced professionals with real dedication to their caring and supporting roles. Our team even includes a trained bereavement councillor who is able to help clients with grieving and trying to come to terms with loss.

## OUR SERVICES

We offer private chapels of rest, a floral service, a monumental masonry service and a range of catering options. We can also offer our clients confidential home arrangements and a range of pre-payment plans.

## SPECIAL ARRANGEMENTS

Special interest funerals have become more popular in recent years and we can make arrangements as required. Our horse drawn hearse, for instance, would be ideal for someone who had an interest in horses or horse racing. And as a tribute to a keen motorcyclist we can offer a Suzuki, Triumph or Harley Davidson hearse. We will always endeavour to provide a service which is a true celebration of someone's life. Please ask for full details.

## NEW FLEET

In September last year we were pleased to receive our new fleet of funeral cars including a Jaguar hearse and two, long wheelbase Jaguar limousines. These craftsmen built vehicles ensure our clients are provided with the very highest levels of comfort and style. Along with our horse drawn and motorcycle hearses we can provide transport suitable for any funeral service.

Section Managers Sharon Craven and Brian Galvin

## ATTENDANTS AT SERVICES

If required, we can arrange for all male or all female staff, suitably attired, to attend at services.

## Our Promise

We promise that every member of our team, at whatever level, will be 100% committed to offering the very best levels of care and service. Call us at any time for advice and we will always do our best to help.
