

DRAPERY

DEPARTMENT

6, COLEHILL.

WE have now established this department in our New Premises, and trust that the increased facilities thereby given, and the increased stock we are able to keep, will enable us to provide for, and supply all our members' wants in this direction.

We shall, as always, use every effort to give satisfaction, and members may rely upon receiving best possible value in every respect.

We are pleased to notice an increase in the sales of this department during the past quarter, and we feel that with the loyal support of all our members, a further great increase will inevitably be secured. At the same time, we may remind our members that the future of this, as of all our other departments, is in their own hands, and that with our present membership, it is not too much to say that if all were as loyal to their society as we could wish, the sales in this department might easily be raised to double their present amount.

Committee's Report.

FELLOW MEMBERS,

We have great pleasure in submitting for your consideration and approval the Forty-sixth Quarterly Balance Sheet.

The Sales for the quarter have been £9576 12s. 6d., an increase of £565 11s. 8½d., over last quarter, and of £1,763 18s. 8½d. over the corresponding quarter of last year.

We would point out that the Drapery, Boot and Shoe, and Repair Sales are not fully represented in Cash Account; Goods to the value of £104 6s. 11d. having been supplied through the Grocery Department. This brings the total Sales of

Drapery to	..	£674	19	0½
Boots and Shoes..		£352	15	9
Repairs	..	£53	15	10
Millinery	..	£134	10	8

The Profits for the quarter, after allowing the usual rate of interest (5 per cent) on Share Capital, 2½ per cent Depreciation on Land and Buildings, 10 per cent on Fixtures, and 20 per cent on Rolling Stock, and paying all other expenses, amount to £966 3s. 8½d.

We propose to pay a Dividend of 2/- in the £ on Members purchases; 1/- in the £ on Non-member's purchases; £12 0s. 0d. Bonus to Employes; £9 10s. to Educational Fund; £10, to form a Plate Glass Insurance Fund; £1 15s. 11½d. to Reserve Fund; and to carry a balance of £30 forward to next quarter.

We regret to have to report that a rather serious fire was discovered on our Colehill premises on March 21st, the origin of which we have been unable to trace. But, although considerable damage was done, we are pleased to be able to assure you that the whole of the loss was fully covered by insurance with the Co-operative Insurance Company, Limited, (for which we are Agents) and that the claim has been duly settled by them within a reasonable time, and to our complete satisfaction. Particulars of the amount so received will be found under the appropriate headings in the accompanying Balance Sheet.

Meanwhile, the work of re-instatement has been placed in the hands of Mr. E. Williams, and is now being briskly pushed forward. We hope, in the course of a few weeks, to be in possession of accommodation, not only equal to that possessed before the fire, but considerably increased by the construction of an additional storey to the Warehouse.

FARM.—The report of this department will be submitted by the Farm Committee.

We beg to remain

Yours faithfully

THE COMMITTEE.
