

# TAMWORTH CO-OPERATIVE SOCIETY LIMITED

## GENERAL MANAGER - FUNERAL DEPARTMENT

Tamworth Co-operative is a successful regional Independent Co-op with interests in food retailing and property as well as our Funeral operations. In the last financial year the Society overall reported a turnover of £28m and is profitable with cash reserves and an overall net worth of £14m.

Our General Manager – Funeral is retiring at the end of March 2022 after being involved with the Society for the best part of 30 years. Our Funeral operations have developed very significantly under her excellent leadership. We operate seven individual Funeral locations with a further Bereavement Centre in the Town Centre.

At an important time for our Funeral interests with the implementation of new legal requirements and at a time of very significant change and development we seek a suitably experienced person to lead all aspects of our Funeral operations. The appointed individual will be a hands on manager comfortable at working and communicating at all levels.

Other information is available from <https://www.tamworth.coop/general-manager-funeral>. Applications to Mrs Julie Gasper, Business Support Manager, by e-mail or post. Applications should include current remuneration details. Complete a Staff Application Form from the link below, and return with a covering letter and any other attachments.

Applications will close on Wednesday 17th November 2021.
