COMMITTEE'S REPORT.

FELLOW-MEMBERS,

We herewith submit the Sixty-sixth Quarterly Report and Balance Sheet of this Society for your consideration. The Sales are in excess of those for the preceding Quarter by £542. 18s. 9d., and the corresponding Quarter of last year by £1,507. 3s. 1½d.

The total number of Members is 2,295.

These results are very satisfactory, and show the continued and maintained progress of the Society.

The satisfaction is the greater when we consider the state of how trade has been in the district, as most of the industries have been working on short time.

It plainly shows to us all that our Members are trading to their utmost, and we trust these advancements will continue.

We drew attention last quarter to the system of credit in our Society, and the extent to which it is growing. Some Members are under the impression that so long as they are clear on the books at the Quarter end it is all right, but we wish to contradict that.

At the commencement of the Quarter our business is often stagnated by Members getting goods from the departments on credit, and it is done by Members who have money in the Society and getting interest upon it.

We cannot, therefore, pay interest on capital and allow credit, so we have now to ask for payment within seven days from date of purchase.

The Bakery output is again on the increase. 32,108 stones of Bread have been baked, an increase over the corresponding period last year of 1,183 stones, and over last Quarter of 3,755 stones.

After providing for Interest on Share Capital, Depreciation, and other contingent expenses, there remains a disposable balance of £2,363. 14s. 0½d., which, with your approval, will be disposed of as follows:—

Dividend to Members on £15,175, at 2s. 6d. in the £ ...	1896	17	6
„ Non-members on £50, at 1s. 3d. „ ...	3	2	6
Educational Fund	24	7	6
Bonus to Employés	20	12	4
Plate Glass Insurance	0	12	8
Reserve Fund.....	18	1	6½

NOTICES.

The attention of Members is particularly requested to the following:—

Always bear in mind the Share Pass Book number.

Always give the shop assistant the Share Pass Book number when making payment for goods, and always see that it is entered correctly upon a paper ticket, along with the amount of payment.

Always take the tickets home, and file them until the end of the Quarter. If the amount of dividend entered in the Pass Book is not in agreement, the tickets should be at once brought to the Office for comparison.

The importance of this will be recognised when it is realised that if the number upon any Member's ticket is incorrectly entered the same error must appear upon the ticket sent to the Check Office, and the dividend upon every such incorrectly numbered ticket will be received by a Member not entitled to it, and consequently forfeited by the Member who is.

Members are requested to examine their change and checks before leaving the counter; also receipts, &c., before leaving the Office or Shop, as mistakes cannot be rectified afterwards.

Members may, if they so desire, withdraw the Quarter's dividend on Thursday, June 18th, to Tuesday, the 23rd, and, to facilitate matters and prevent crowding, are requested not to leave it until the evening, as it can be paid to them in the day during Office hours.

It is very essential that Members should take notice of the method of conducting business in the Office in relation to Dividends, &c. They will observe that it is very necessary that the rules must be adhered to, and there will be no exception to the following, *i.e.*:—

- No Dividend will be paid unless a Number Ticket is produced, and will only be paid to the Member, or to someone bearing written authority properly written out and duly signed by that Member.
- Our books will be closed for the receiving of contributions and paying of withdrawals during the last week of this Quarter, viz., from August 3rd to August 8th, inclusive.
- All Members making withdrawals must bring their Contribution Books to the Secretary, and withdrawals will only be paid to the Member, or to someone bearing written authority signed by that Member.

NOTICES—*continued.*

Members are requested, upon removing, to send their new address to the Secretary, to make the necessary alteration in the ledgers. Any Member neglecting to give such notice is liable to a fine of threepence and have it deducted from his Share Account.

Members can nominate any person or persons to whom their shares shall be transferred at their decease. The exercise of this right removes all difficulties in dealing with claims of deceased Members' shares.

C.W.S. Roden Convalescent Home.—This home is situated some six miles from Shrewsbury. Members can obtain recommends to the Home through the Society on making application to the Secretary. The term of residence is limited to three weeks. The charge for board and residence for convalescents is 12s. 6d. per week (to be paid in advance). Provided there is sufficient accommodation, other than convalescents are admitted at a charge of 25s. per week.

The Society's Small Savings Bank offers an easy method of saving a little each week. Will you be good enough to enter your children as Members? Deposits of any sums from 1d. to 10s. will be received every Saturday, from 6 to 8 p.m. Interest at the rate of £4. 3s. 4d. per cent per annum is paid.

Paper Coal Checks must also be in by the Quarter end or the dividend on them is lost.

AUTHORITY TO WITHDRAW DIVIDEND.

No Dividend will be paid without production of this, only to the Member himself (or herself). Care must be taken to have same properly filled up.

Dividends will be paid, during Office hours, from Thursday, June 18th, to Tuesday, June 23rd, 1903.
