COMMITTEE'S REPORT.

FELLOW-MEMBERS,

It is our great pleasure, in presenting our Statement of Accounts for Quarter ended October 29th, 1906, to report such satisfactory increases, both for the Quarter and for the twelve months.

The result of trade is very satisfactory when we remember the great amount of short time that was being made by the majority of our Members during the summer, owing to the depression in some of the local industries. At this season last year we hoped for a better time the next summer, but, instead, the depression was greater, and the struggle for some Members even more severe. Having knowledge, therefore, of this, it affords pride and pleasure to present such records as we have.

The Sales for the Quarter have been £18,622. 12s. 3d.; for last Quarter, £18,132. 16s. 4d., or an increase of £489. 15s. 11d.; and for the corresponding Quarter of last year of £18,072. 16s. 9½d., or an increase of £549. 15s. 5½d. The year's total of Sales is £75,378. 19s., an increase over 1905 of £4,368. 15s. 3½d., or 6·152 per cent.

Coming now to the Profits, and these are always a special interest, it is pleasing to know that they still maintain that satisfactory condition to which we have so long been accustomed.

The Trade Profit during the Quarter has been £2,271. 14s. 0½d., or 12·2 per cent, and for the year £9,643. 2s. 9½d., an increase in Profit over 1905 of £904. 14s. 11½d.

We have a Disposal Balance of £2,339. 19s. 10½d., after all expenses of Interest, Depreciation, and Working Expense contingent with the business are allowed for, and we recommend its division as follows :

	£ s. d.
To Members' Dividend on £18,000 at 2s. 6d. in the £	2,250 0 0
„ Non-members' „ £30 at 1s. 3d. in the £	1 17 6
„ Educational Committee	28 8 0
„ Bonus to Employés	24 2 8
„ Plate Glass Insurance	0 12 6
„ Reserve Fund	9 19 2½
„ Balance carried forward	25 0 0
	<hr/> <u>£2,339 19 10½</u>

The Membership of the Society is now 3,070.

The Bakery output has been 38,111½ stones of Bread; 39,973 stones for last Quarter, and 39,750 stones for the corresponding Quarter of last year.

Following upon our report in last Quarter's issue of the Balance Sheet, we have now fully considered the matter moved by Mr. J. JOHNSON, on June 20th, 1906, i.e., "That the Stocks of the Society be taken and the Accounts audited Half Yearly, instead of Quarterly," and we cannot see any advantage in altering the present system of Quarterly Balancing, and therefore recommend you do not have Half-yearly Balance of Accounts.

We have also decided to apportion the £900 Depreciation of Buildings, taken from Reserve Fund, of £650 to reduction of the Leys Property, and £250 of the Church Street Property.

The alterations and additions at the Leys are now in full progress, and it is our hope that we shall be able to occupy them in the New Year.

It is our pleasure to report the profitable working of the Farms. We anticipate they will show a successful year's working, and when, next Quarter, we publish the Annual Balance Sheet of our operations in Farming we hope for a financial balance in our favour. The Poultry Department has so far this year been a success, and we hope there will also be a profit here when the year's accounts are made up. The quality of the Eggs and Poultry are of the first class, and we wish you to remember this branch if you require Poultry, and especially for Xmas, when, by doing so, you ensure a Happy and Merry Xmas.

With true, kindly wishes for a Happy Christmas and a Prosperous New Year for 1907,

per pro the Committee,

FREDK. S. WHARTON, SECRETARY.

NOTICES.

Your Special Attention and Compliance with the following are requested.

Share, Building (Mortgage), Penny Bank, and Clothing Club Cards should be in for Audit not later than February 20th, 1907, or a fine is inflicted. Receipts are given in the Share Pass Card when left for this purpose.

All **Paper Coal Checks** must be brought in before the end of the quarter, as they cannot afterwards be recognised.

Members are requested to **nominate** some person or persons to whom their shares shall be paid at death, in accordance with Rule 20. This can be done any time at the office, where a book is kept for the purpose, on the payment of threepence. The want of attention to this rule involves the relatives in a great amount of unnecessary trouble on the death of a Member.

To **withdraw Share Capital**, Members must fill in a notice of withdrawal form, which can be had at the office; it will only be paid to the Member himself or herself, or to someone bearing a written authority, properly written out in **Ink** and duly signed by such Member. The Share Book or Pass Card must be produced whenever a contribution or withdrawal is made.

Members **changing their address** should intimate same to the Secretary. A form is placed at the end of the Balance Sheet and we hope all Members will fill in the same and send to the office, as much annoyance is caused by Members neglecting to advise us of any alteration of address.

Members having cause to complain of inattention on the part of the staff, quality or price of goods, or difficulty in being supplied with goods required, will greatly oblige by making such complaint to the Manager or Secretary before leaving the premises.

Penny Bank Deposits are received at any time during office hours. Sums of One Penny to Ten Shillings are received, upon which interest at the rate of $4\frac{1}{2}\%$ per annum is paid, and repaid in sums up to £1 upon demand, and above upon seven days' notice.

Dividends will be paid on **Thursday, Friday, and Saturday, December 20th, 21st, and 22nd**, between the hours of 10 a.m. to 12 noon, 2 to 4 p.m., and 6 to 7-30 p.m.

The present Quarter ends January 28th, 1907.
