Committee's Report

FELLOW MEMBERS.

We present for your consideration and approval our Annual Report for the Year Ending 19th January, 1976, which is in fact the 90th.

Membership

The membership of the Society which includes every person on the register now stands at 28,015, an increase over last year of 962.

Capital and Reserves

The capital holdings of the members and the collectively owned capital under the heading of reserves have both reached new record levels, with the ratio of reserves to Share Capital showing the best ever figures.

Investments

Re-invested capital is again back over one million pounds and much of this money at present surplus to our trading requirements is being made available to the wider Co-operative Movement through the C.W.S. Trading Departments and the Co-operative Bank. Indirectly, therefore, we are helping to finance the development projects other Societies and contributing to the general improvement in co-operative trade penetration.

Trade

The effects of unemployment, short-time working and loss of overtime gradually became more marked as the year progressed and many departments found it increasingly difficult to maintain the percentage levels achieved in the first six months. Whilst it is true that inflation and increased prices account for a large share of the extra cash sales, which incidentally are nearly one million pounds up on last year, it is also true that people cannot spend what they haven't got, and quite apart from our earlier submission there are hundreds of our members on fixed incomes. The pattern of spending is at the same time undergoing quite radical changes and some of us find difficulty in reconciling ourselves to the new order of priorities which many people appear to have adopted these days. Individual sales performances both in sectional/branch and departmental basis vary considerably, but the circumstances often require deep analysis and we are conscious of the fact that in adverse times the efforts made by managers and sales staff can easily be under estimated. The total annual turnover reached nearly 5½ million pounds and showed an increase of 20.2%.

General

The cessation of Bread and Confectionery Production was inevitable and even those members of our productive staff with the deepest personal interest in the Bakery and who had worked there all their lives, accepted the facts with remarkable common sense and exceptional goodwill. The plant was obsolete, well nigh irreplaceable at economic cost and presented impossible maintenance problems; the building is earmarked for future development in the town plan and we were shortly to face retirements of nearly all the skilled staff. We appeal to all members to give the new bread a fair trial. It compares very favourably with any that is produced on modern plant and it is produced by Co-operative workers in a Co-operative Bakery.

Towards the latter end of the year we were successful in gaining the Distributive Industry Training Award, which still remains quite a distinction amongst both our competitors and other co-operative societies. Congratulations are due to all concerned from the Group Training Officer down to the most recent entrant who has only yet received induction training.

Staff

The last day of the accounting year brought a unique double retirement in the persons of Mr. Harold Yates, Drapery Manager and Buyer and our Chief Cashier, Mr. Robert White.

Both gentlemen had served the Society in exemplary fashion and had given nearly 102 years of Co-operative Service between them. We extend them and their wives a long and happy, truly well earned retirement with good health and fortune all their days.

OBITUARY

Mr. G. Pettifer - Retired Confectioner.

Mr. W. Webster - Retired First Assistant, Footwear.

Dividend

We recommend that the surplus on the year's trading be allocated as per the following table.

Total amount available for distribution £258,059.

| | | | | ı. |
|---------------------------|-----|--------|------|----------|
| Share Interest | | | | 25,250 |
| Interim Dividend at 3.75% | | | | 105,583 |
| Grant to Member Relations | Com | mittee | | 1,400 |
| Final Dividend at 4% | | | | 125,126 |
| Balance carried forward | | ٠. | | 700 |
| | | | | |
| | | | | £258,059 |
| | | | | |

We would hope that members appreciate that the figures shown in this table do not indicate the only benefits of co-operative membership since many valuable services are constantly being provided everyday which cannot be measured in money's worth.

To everyone who has contributed towards these results we extend our thanks and look forward to their continued support and loyalty.

On behalf of the Committee,

- A. HEATHCOTE, Chairman
- G. W. WAGSTAFFE, Secretary and Executive Officer

MEMBER RELATIONS COMMITTEE REPORT

The work of a Member Relations Committee is to stimulate the interest of Members of the Society and their families in their own business. This means not only helping to run the Society as a large trading concern, but in the wider aspect of Co-operation with all its ideals and social values.

The Member Relations Committee has not been very successful in the past year in forming new activities for members, and we are therefore anxious to have your ideas and suggestions for extending member participation in the affairs of your Co-op.

We are very sorry to report that because of difficulty in obtaining a Leader, the Senior Group of Pathfinders has had to close for the time being. This is the group of 11 to 15 year old girls who met in the Education Centre weekly, and who for many years running were the winners of the Co-operative Union Midland Junior Quiz and Public Speaking Contests. Perhaps on reading this report, you would like to help, or could recommend someone that you know. If so, please contact the Secretary. A remuneration is paid for this work.

The Annual Co-operative Union Junior Rally will again be held in Tamworth on Saturday, 8th May, 1976, at The Mercian School, Tamworth. It has been held here for a number of years and it seems that the arrangements made by the Committee has made Tamworth a popular centre. From 1 p.m. till about 5.30 p.m. the members of the Midland Junior Groups will be in contest on Co-operative and General Knowledge, and will show their prowess in Public Speaking on chosen subjects. You are most welcome to come and see co-operative children in action. As you will have seen in the Tamworth Herald from time to time, our Ballet Group, under their Instructress Miss C. McCracken and with the encouragement of parents, go from strength to strength. One of their highlights was the invitation to do a ballet evening in the opening week at the new Tamworth Arts Centre.

Kingsbury Woodcraft continue to make progress, and now meet on Monday evenings, contributing a very good part in the life of the village.

Junior Pathfinders under their new Leader, Miss K. Waldron are at full strength, and are a very happy group. They meet on Wednesday evenings in the Education Centre, Victoria Road, Tamworth.

For information of membership of various activities, please contact the following:—
