Committee's Report

FELLOW MEMBERS,

We present for your consideration and approval the 91st Annual Report and Accounts for the Year Ending 17th January, 1977.

Membership

The Membership of the Society has again increased steadily throughout the period and now stands at 29,336. It can be confidently anticipated that the figure will reach 30,000 during the coming year, and we hope to announce this milestone with suitable publicity.

Capital and Reserves

Total capital, both collectively and individually owned has reached the new record level of £1,745,610, but the most significant aspect of this statistic is the substantial increase in reserves which are now approaching half-a-million pounds. We are absolutely certain that this policy of building up our reserves is right and will serve the best long term interest of the members and the employees of the Society.

Investments

Despite the ravages of inflation which imposes very heavy burdens on our finances particularly in such things as stock holding, we have still managed to increase the combined total of short and long term investments which amount to £1,199,728.

Trade

Another first time event in the history of the Society is an increase in turnover of over one million pounds in a single year bringing the total to £6,457,869. A substantial part of this volume has come from the Departments in the main store, Drapery and Furnishing having obtained increases of 33% and 26% respectively. Noteworthy sales progress has also been made by Bolehall, Glascote, Polesworth, Central Wines and Spirits and the Travel Service. Further rationalisation of Bread Delivery Services has taken place which inevitably involves some sacrifice of trade, but the problems of the department have also been aggravated by the price cutting war by retail shops and unfortunately it seems that the higher cost of door to door delivery is not fully understood, though there are many members who still appreciate the services we can provide.

General

The general economic climate is still very uncertain and the predictions from many quarters promise rougher storms ahead before we can look forward to full employment and a resumption of increases in living standards. Prices of imports, particularly raw materials and food reflect the improved standards of living being demanded and obtained by the millions of under privileged people of the "third world" and this process will continue to accelerate.

Staff

An expression of thanks to our staff in all departments, including those who work behind the scenes is especially appropriate for the good results achieved during a year of many frustrations and economic uncertainty, and we should not forget the important role played by all those who continue to provide services without a break in order that the majority of the community can enjoy weekends and customary holidays in the maximum of convenience.

We have had only two retirements since the interim report, namely Mr. N. G. Richardson, our last Bakery Manager after 50 years service and Mr. S. Perryman, Supermarket with 39 years. Both gentlemen have served the Society in exemplary fashion and we wish them a long retirement in good health and happiness.

OBITUARY

Mrs. Rona Starkey, Age 44. Assistant Pork Butchery.
 Mr. Albert Brown, Age 94. Retired Deliverer.
 Mr. Wilfred Passey, Age 62. Retired Painter.
 Mr. Albert Raybon, Age 78. Retired Deliverer.
 Mr. John B. Longden, Age 81. Retired Butcher.

We remember these former employees with affection and gratitude and extend our deepest sympathy to their relatives and friends.

Dividend

We recommend that the surplus on the year's trading be allocated as follows:-

	£
Share Interest	26,766
Grant to Member Relations Committee	1,467
Interim Dividend @ 3.00%	98,135
*Final Dividend @ 3.50%	141,741
Balance carried forward	750
	<hr/>
Total available for distribution	£268,859

*The recommended rate of dividend is, of course, only the basic rate and all purchases ranking for double dividend will be calculated at 7%. In addition, we would like to point out that dividend also applies on V.A.T. which has to be remitted to H.M. Customs and Excise in full and this amounts to £206,251 for the year.

Finally may we thank you, the members, trusting you will continue to support your own business and in so doing foster the livelihood and well being of your employees who are anxious to provide you with the best possible service at all times.

On behalf of the Committee,

J. HINDS, *Chairman*

G. W. WAGSTAFFE, *Secretary and Executive Officer*

24th January, 1977.

MEMBER RELATIONS COMMITTEE REPORT

During the past year the Member Relations Committee have endeavoured to stimulate interest in the social and educational activities of the Society.

The Co-operative Ballet—which has nearly 100 children training under our expert coach Miss McCracken, have gained high awards in local and national contests. Their shows have been most entertaining—giving pleasure to both children and audiences. Our thanks are due to their parents who support the children's efforts and spend time and money on their costumes etc. Congratulations to the senior girls who have won their trainers awards.

Our Pathfinders spend very happy and educational evenings—under the supervision of their leaders, Miss K. Waldron and Mrs. G. Parratt. Another senior Pathfinders Leader is urgently required. Can you help?

Our Kingsbury Woodcraft Folk have had a very busy year—participating in all kinds of activities, camping, sponsored walks, swimming, handicrafts, badge work, sports and a Vietnamese Project under the leadership of Mr. G. Johnson.

Co-operative Women's Guild—The Guild arranges interesting meetings every Thursday and during the year have discussed important matters like the "National Health Service", and "The every day running of our Society". Whist Drives, Bingo's, Bring and Buys, Flower Arranging, Quizzes, Competitions have been held and exchange visits arranged with other Guilds. A special effort was made in November in aid of the National Childrens Home. Why not go along to the Education Centre, Victoria Road, Tamworth, Thursdays, 2.30 p.m. or if there are enough interested members we could start evening Guilds.

The Annual Co-operative Junior Rally was held in the Mercian School, Tamworth, in May, 1976 and a high standard was set both in the Quiz and Public Speaking. The contest will take place again this year.

Member Relations Committee Members have attended a number of conferences and special meetings and were present at the Education Convention held in Bournemouth.

Please note a future event to celebrate The Queen's Silver Jubilee will be a Band Concert by the C.W.S. Manchester Band, 26th March, 1977 in the Assembly Rooms, Tamworth, (Tickets 75p, Senior Citizens and Children 50p) at 7.30 p.m.
