Committee's Report

FELLOW MEMBERS,

We present for your consideration and approval the 94th Annual Report and Accounts for the year ending 21st January, 1980.

Membership

During the year net membership has increased by a further 1011 to reach a total of 32455. If we only realised the potential which co-operators in these numbers have within their grasp the opportunity for increased social, cultural and economic benefits would be almost limitless, but membership of any organisation carries with it responsibility as well as rights and privileges, and we are concerned that our democratic system is so sadly neglected.

Capital and Reserves

For the first time ever our total capital has topped two million pounds and only a few societies in the country, all of them far larger than ourselves, can claim a greater sum. Relativity is the important yardstick however and we are very conscious of the frightening devaluation of money in purchasing terms.

Investments

Again a new record has been achieved and now includes our investment in the site of the new Superstore on the Tame Valley Estate. The return on our investments is also a record. Of the total sum of re-invested capital at £1,558,463, approximately a third is available at very short notice.

Trade

Examination of the trading account will show that our turnover has increased by 11.35% over last year with a grand total of £8,871,598. If we exclude the effect of closed units the increase is over one million pounds. Subject to this qualification every department established a new record though inflation makes this necessary at varying minimum levels to maintain real business. The prospects for the future pose a considerable challenge, but we are determined to respond to competition and change in a positive and constructive manner. Twenty years ago more than half our total trade came from delivery services and our enforced retreat from this position in the face of crippling transport costs has severely reduced the trade so painstakedly nurtured with a great many of our members who live in the rural areas.

Developments

Practically throughout the year alterations have been underway in our main departmental store and a number of sections are now relocated and improved. This process is still not completed and we apologise for any inconvenience which is inevitably caused when changes are made whilst the store remains open. Two new units have been opened since our last report, the young fashion boutique we call "Groovy Girl" and the Phillips Electrical Discount Centre. We hope that both will quickly reach their full potential. A complete face lift has been given to the Church Street block of premises which houses "Groovy Girl" and "The Candy Bar" and we are pleased to report that the whole of the office accommodation at first and second floor is fully let. Further improvements can be reported at Bolehall Branch and we hope to complete an extension at Amington in the early spring.

In order to place maximum resources behind the Co-op Superstore project at Tame valley we have leased the site to the Birmingham Society and we will be co-operating with them to make it as successful as possible. A statement about this arrangement was given by the Chairman at the last members meeting and fully endorsed by those present. Whilst the store will not be controlled by the Tamworth Society it is intended to operate for the benefit of those members of ours who want facilities of this kind and it will also provide co-operative employment.

Staff

No business organisation can hope to be successful without the goodwill and loyalty of its staff. This is especially true in a co-operative society, so not only do we thank everyone who has given their services over the past year, but we appeal for a renewed commitment from every employee for the future.

OBITUARY

Mr. R. H. Chetwynd, Age 62 years, Chief Clerk.

Mr. T. Hill, Age 68 years, Retired Board Member.

Mr. J. King, Age 79 years, Vice Chairman.

Mr. E. Lees, Age 88 years, Retired Bakery Operative.

Mrs. A. Walton, Age 51 years, Pharmacy Assistant.

We remember these former Co-operators with affection and gratitude and extend our deepest sympathy to their relatives and friends.

Dividend

We recommend that the surplus on the year's trading be allocated as follows:—

		£
Share Interest	 	31,739
Grant to Member Relations Committee	 	1,621
Interim Dividend at 3.00%	 	122,700
Final Dividend at 3.00%	 	140,245
Dividend Vouchers at 0.50%	 	23,374
Total distribution	 	£319,679

The payment of an additional sum in voucher form has been made possible by the co-operation given by members with the new dividend system. Purchases made during the last half year will rank for an extra half per cent (example £500 purchases will qualify the member for £2.50 in vouchers) and this will be paid on a date to be announced.

On behalf of the Committee,

G. C. ALLEN, Chairman

G. W. WAGSTAFFE, Secretary and Executive Officer

ACCOUNTING POLICIES

- 1. Net Sales—Includes Cash Sales, Goods sold on credit and Rentals paid.
- 2. Trading Stocks—Stocks are valued at Cost or Retail less an appropriate discount to reduce to cost, or at market value, whichever is the less.
- 3. Depreciation—Depreciation is provided on Fixed Assets and Television Rental Sets.

 It is the policy of the Society, where income permits, to write off current capital expenditure in the year that costs are incurred, except in the case of television rental sets, where the expenditure is written off over a period of three years.
- 4. Taxation—Current Taxation on Accounts to 21st January, 1980 has been calculated at 40%.
 Deferred Taxation—provision has been made for the current year's stock relief. No provision is required for accelerated Capital allowances as these are in line with depreciation charges.

Chargeable Gain deferred by Roll Over Relief	4,700	4,327	Nil	Nil	4,700	4,327	

The potential deferred taxation arising from stock appreciation relief has been reduced by £42,505 at the 21st January, 1980, being the amount of taxation mitigated by waiving the right to claw back as in 1979 Finance Act for Stock Appreciation Relief in the years ended January, 1974 and 1975.

In previous years it has been the Society's policy to provide fully for deferred taxation arising from stock relief. However, in accordance with the new accounting standard, it has been decided with regard to the projected levels of trading stock, only to provide for the current year's stock appreciation relief. The figures for 1979 and previously have been restated in accordance with this policy, and the excess stock appreciation relief added to general reserve since it is no longer required.

- Investment Income—Interest on investments is that which has been received or credited to the account:
- Debtors—Hire Purchase and Credit Sales Accounts and other Accounts are included at gross values less suitable provisions for Bad and Doubtful Debts and any liability under the Supply of Goods (Implied Terms) Act, 1973.
- Superannuation Fund—Other than cash accommodation facilities the Employees Superannuation Fund is not invested in the Society.
- 8. Capital Expenditure—(a) Future Capital Expenditure authorised and contracted for £20,000. (b) Future Capital Expenditure authorised but not yet contracted—Nil.
- Creditors—Approximately 40% of creditors for goods may be secured by reservation of title on goods purchased from them.

MEMBER RELATIONS COMMITTEE REPORT 1979

Dear Members,

We have pleasure in reporting our activities for 1979. Committee Members have attended various A.G.M.'s and Sectional Conferences. The Midland Section A.G.M. held at Birmingham was very interesting when the Speaker Mr. Arlow spoke on "School Curicula". In November, 1979 we sponsored a C.W.S. (Manchester) Band Concert which was well attended and proved a very enjoyable event.

We shall all miss the active help and support given by Mr. J. King—our Vice Chairman who died suddenly on 31st December, 1979.

Our congratulations to Mrs. G. C. Allen who became Society Chairman for 1979.

The Kingsbury Woodcraft Folk can record a very successful year with a full membership. They have participated in numerous activities, the main ones being a Sports Day held at Kingsbury High School and a week at International Camp at Malvern, which was attended by 300 children. Our thanks to all the leaders and helpers who run these groups.

The Ballet. This continues to flourish under the direction of Miss McCracken. The standard of achievement is proved by the number of medals and grade certificates that the pupils attain. The dance festivals are growing in popularity and competition is very keen. Once again, thanks to all who help with these events.

The Women's Guild. Members enjoyed the many varied activities of the Guild ranging from serious discussion of Guild Congress motions, Society events, member education to social afternoons, whist drives and handicrafts including flower arranging and making. The stall at the Spring Festival was again a success. Our oldest member, Mrs. A. Chapman of 33 Neville St., Glascote, Tamworth was 90 years old on 27th January, 1980. We offer our congratulations and thanks for all the work she has done in the Guild during the past year. New members will be made very welcome.

The Tamworth Co-operative Society 1900 - 78 Film and Talk is available to interested organisations, also talks on various services like Banking, Handycard, Electrical Appliances, Music Centre, T.V.'s, Furniture, D.I.Y., Decorating, Wine, Butchery, can be arranged. We wish the Society success with the new store layout and hope the members continue to give them support in face of the strong competition.

Members wishing to know more about Social Studies and Residential Diploma Courses for adults held at the Co-operative College, Stanford Hall, Loughborough, Leicester, should contact the M.R.C. Secretary, Mrs. H. Fowler.

To Mr. G. W. Wagstaffe, Secretary and Executive Officer and his Assistant, Mr. A. G Glover, our thanks for their help during the past year, not forgetting our Caretakers, Mr. Emery and his wife for their co-operation.

We look forward to meeting more of our members in 1980.

D. HODGKINSON, Chairman H. FOWLER, Secretary
